1. Notice. Notice in writing of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered. The format of the notice shall conform to Florida Statutes Section 718.110.

2. Proposals to Amend. A resolution for the adoption of a proposed amendment may be proposed by at least two-thirds (2/3) of the Board of Directors at any regular or special meeting of the Board of Directors, or by not less than one-fourth (1/4) of the Votes of the Voting Interests.

3. Adoption. The proposed Amendment shall be adopted upon approval of not less than three-fourths (3/4) of the Votes of the Voting Interests.

4. Amendments by Developer. As long as the Developer is entitled to elect not less than a majority of the Board of Directors, and subject to the proviso in Paragraph B of this Article, an amendment to this Declaration may be approved by a two-thirds (2/3) vote of the Board of Directors. Proposals to amend existing provisions of the Declaration shall contain the full text of the provision to be amended; new words shall be inserted in the text underlined; and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added and deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of Declaration. See provision _____ for present text." Nonmaterial errors or omissions in the amendment process shall not invalidate an otherwise properly promulgated amendment.

D. Correcting Errors or Omissions. If there is an omission or error in the Declaration, or in other documents required by law to establish the Condominium, the Association may correct the error or omission by an amendment to the Declaration, or the other documents required to create the Condominium, by a majority of the Votes of the Voting Interests. The amendment is effective when passed and approved and a certificate of the amendment is executed and recorded as provided in Florida Statutes Section 718.110. This procedure for amendment cannot be used if such an amendment would materially or adversely affect property rights of any Unit Owner, unless the affected Unit Owner consents in writing. This subparagraph does not restrict the powers of the Association to otherwise amend the Declaration, Articles, Bylaws or rules and regulations enacted pursuant to the Bylaws, but authorizes a simple process of amendment requiring a lesser vote for the purpose of curing defects, errors, or omissions when the property rights of Unit Owners are not materially or adversely affected.

E. Execution and Recording. Notwithstanding the foregoing, automobiles owned by governmental law enforcement agencies are expressly permitted. The foregoing restrictions shall not be deemed to prohibit the temporary parking of commercial vehicles while making deliveries to or from, or while used in connection with providing services to the Condominium Property. All vehicles parked within the Condominium Property must be in good condition, and no vehicle which is unlicensed or which cannot operate on its own power shall remain within the Condominium Property for more than 24 hours, and no repairs or servicing of any vehicle shall be made on the Condominium Property. Motorcycles are not permitted except with the prior written consent of the Association, which may be withdrawn at any time, and any permitted motorcycle must be equipped with appropriate noise muffling equipment so that the operation of same does not create an unreasonable annoyance to the occupants of the Condominium Property. Boats may be kept only completely within a garage

O. Air Conditioning Units. Only central air conditioning Units are permitted, and no window, wall or portable air conditioning Units are permitted.

P. Garbage and Trash. Garbage, trash, refuse or rubbish that is required to be placed in the front of any Condominium in order to be collected may be placed and kept at the front of the Unit on the day of the scheduled day of collection, and any trash facilities must be removed on the collection day. All garbage, trash, refuse or rubbish must be placed in trash facilities provided by the Association. All trash facilities shall be stored inside a Unit and kept in a clean and sanitary condition. No noxious or offensive odors shall be permitted.

Q. Wells. Wells are prohibited upon the Condominium Property for irrigation, domestic water use or any other purpose unless authorized by the Condominium Association.

R. Declaration of Restrictions. The Condominium Property is subject to the Declaration of Restrictions recorded by the original Developer of Punta Gorda Isles in Official Record Book 866 at Page 433 of the Public Records of Charlotte County, Florida.

XI. SALES, LEASES AND OTHER TRANSFERS

In order to assure a community of congenial residents and thus protect the value of the Units, the sale or lease of Units shall be subject to the following provisions which shall be covenants running with the land so long as the Condominium Property shall be subject to the Condominium form of ownership under the laws of the State of Florida.

A. Sales, Lease or Transfer. Prior to the sale, lease or transfer of any interest in a Unit to any person other than the transferor's spouse, the Owners shall notify the Board of Directors of the corporation in writing the name and address of the person to whom the proposed sale or transfer is to be made, and such other information as may be required by the Board of Directors of the Association. If the transferee is not a natural person, the notice shall include the names and addresses of the persons who will occupy the Unit. The transferee shall provide the Association with a copy of the recorded deed after the transfer.

The Association may require that a prospective Lessee place a security deposit, in an amount not to exceed the equivalent of one month's rent, into a non-interest bearing escrow account maintained by the Association. The security deposit shall protect against damage to the common elements or Association property. Claims against the deposit, refunds and disputes shall be handled as provided in Part II of Chapter 83 of the Florida Statutes.

B. Assessment Status. Within fifteen (15) days after request by a Unit Owner or Unit mortgagee, the Association shall provide a certificate stating all assessments and other monies owed to the Association by the Unit Owner with respect to the condominium parcel. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby.

C. Heirs and Devisees of Deceased Unit Owners.

(i) Title to Spouse, Family Members and Unit Owners. If the Owner of a condominium Unit should die and as a result of such death the title to the condominium Unit of such deceased Owner shall pass to any person other than a co-owner of the Unit, such person shall within sixty (60) days of such person or persons taking title, occupancy or possession of the parcel advise the Association regarding his intention of residing in the Unit and of his or their current address. He shall also furnish the Association such other information as the Association may reasonably request.

(ii) Amounts Due Association. Nothing in this Article shall be deemed to reduce, forgive, or abate any amounts due the Association from the Unit Owner at the time of his

death, nor the assessments attributable to the Unit becoming due after the Unit Owner's death, all of which shall be fully due and payable as if the Unit Owner had not died.

XII. ASSESSMENTS

A. Power of Association. The Association, through its Board of Directors, shall have the power to make and collect such Assessments and Special Assessments as allowed by the Condominium Act, this Declaration or the Bylaws.

B. Board Adopts Budget. The Board of Directors shall adopt the annual budget at least forty-five (45) days before the end of each fiscal year. The budget shall project anticipated income and estimated expenses. Common Expenses shall include but shall not be limited to, costs and expenses of operation, maintenance and management; insurance premiums for fire, windstorm, and flood, as required by the Condominium Act; premiums for public liability insurance; legal and accounting fees; management fees; operating expenses of the Association; maintenance, repairs and replacement of the Common Elements, except for emergency repairs or replacements deemed necessary to protect the Common Elements and properly chargeable to a Unit; security provisions; charges for utility used for Common Elements; water and sewer for the Condominium Property; cleaning and janitorial service for the Common Elements; expenses and liabilities incurred by the Association in the enforcement of its rights and duties against the Members or others; the creation of reasonable contingency or reserve requirements for the protection of the Members, and the Condominium Property (e.g., reserves for replacements, capital expenditures, deferred maintenance, operating reserve to cover deficiencies in collections); and all other expenses designated as Common Expenses by the Condominium Act, this Declaration, the Articles or Bylaws. In addition, if the Association maintains Limited Common Elements with the cost to be shared only by those entitled to use the Limited Common Elements, the budget or a schedule attached to the budget shall show amounts budgeted for the Limited Common Elements.

C. Levy of Assessment. After adoption of a budget and determination of the annual Assessment per Unit, the Association shall assess such sum by promptly notifying all Unit Owners by delivering or mailing notice thereof to the Voting Interest representing each Unit at such Member's most recent address as shown by the books and records of the Association. Each Unit's pro rata share of the annual Assessment shall be due and payable monthly in advance to the Association, regardless of whether Members are sent or actually receive written notice thereof. In addition, the Association shall have the power to levy equal Special Assessments against each Unit if necessary to cover the Common Expenses.

D. Owners Responsibility for Payment. The record Owners of each Unit shall be personally liable, jointly and severally, to the Association for the payment of all Assessments and Special Assessments made by the Association and for all costs for collecting delinquent Assessments and/or Special Assessments. All Assessment and Special Assessment installments not paid when due shall bear interest at the maximum interest rate that is allowed by law. In the event Assessments and Special Assessments against a Unit are not paid within thirty (30) days after their due date, the Association shall have the right to take any and all of the following actions:

1. Administrative Late Fee. Charge an administrative late fee in the amount not more than maximum permitted under the Condominium Act, for each installment of the Assessment and/or Special Assessment that the payment is late.

2. Acceleration of Installments. The Association may accelerate the remaining Assessment and/or Special Assessment installments upon filing claim of lien and notice to the Unit Owner, after which the unpaid balance of the Assessment and/or Special Assessment shall come due upon the date stated in the notice, but not less than ten (10) days after delivery of notice to the Unit Owner, or not less than twenty (20) days after mailing of such notice to the Unit Owner by registered or certified mail, whichever shall first occur. Accelerated Assessments and/or Special Assessments shall be due and payable on the date the claim of lien is filed and shall include all amounts due for the remainder of the budget year in which the claim of lien was filed.

3. Foreclose Lien. The Association may record and foreclose a lien in the manner set forth in Article (XIII) of this Declaration and the Condominium Act and charge an administrative late fee in addition to interest, in an amount not in excess of the maximum amount permitted under the Condominium Act for each delinquent installment.

4. Sue for Money Judgment. The Association may bring an action to recover a money judgment for unpaid Assessments and/or Special Assessments, interest, late charges, and the Association's reasonable attorney's fees.

E. Special Assessments. Should the Association, through its Board of Directors, at any time determine that the Assessments made are not sufficient to pay the Common Expenses, or in the event of emergencies, the Board of Directors shall have the authority to levy and collect Special Assessments to meet such needs of the Association. The specific purpose or purposes of any Special Assessment shall be set forth in a written notice of such Special Assessment sent or delivered to each Unit Owner. The funds collected pursuant to a Special Assessment shall be used only for the specific purpose or purposes set forth in such notice. Any excess funds shall be considered as Common Surplus and either be returned to the Unit Owners or applied as a credit towards future Assessments. However, upon completion of such specific purpose or purposes, any excess funds shall be considered Common Surplus.

F. No Common Element Fees. The Association shall not charge any fee against a Unit Owner for the use of Common Elements or Association Property unless such use is the subject of a lease between the Association and the Unit Owner.

G. No Avoidance of Assessments. The liability for an Assessment or Special Assessment may not be avoided by waiver of the use or enjoyment of any Common Element, or by abandonment of the Unit for which the Assessments are made.

XIII. LIEN OF THE ASSOCIATION

A. Association Liens. The Association shall have a lien on each Condominium Parcel for any unpaid dues, Assessments, Special Assessments, late charges, and interest thereon against

the Unit Owner of such Condominium Parcel. Said lien shall also secure reasonable attorney's fees incurred by the Association incident to collection of such Assessment and/or Special Assessment or enforcement of such lien. The lien shall be recorded in the Public Records of Charlotte County, Florida, and shall contain a description of the Condominium Parcel, the name of the Unit Owner(s) shown in the public records, the name and address of the Association, the amount due and the due dates. The lien shall be effective from and shall relate back to the date of recording this Declaration. As to first mortgages of record, the lien is effective from and after recording of the claim of lien. The lien shall continue in effect until all sums secured by the lien shall have been fully paid or barred by law. Such claims of liens shall include only Assessments and Special Assessments which are due and payable when the claim of lien is recorded. Such claims of lien shall be signed and verified by an officer or agent of the Association and shall then be entitled to be recorded. Upon full payment the party making payment shall then be entitled to a recordable satisfaction of the lien.

B. Lien Duration and Enforcement. No such lien shall continue for a longer period than one (1) year after the claim of lien has been recorded, unless within that time an action to enforce the lien is commenced in a court of competent jurisdiction. The claim of lien shall secure all unpaid Assessments and/or Special Assessments, interest, costs, and attorney's fees, which are due and which may accrue subsequent to the recording of the claim of lien and prior to entry of a final judgment of foreclosure. Interest on any Assessments and Special Assessments and installments not paid when due will accrue at the maximum rate allowed by law.

C. Liability for Assessments. All such liens shall be subordinate to the lien of an Institutional Mortgagee holding a first mortgage recorded prior to the time of recording of the claim of lien except as stated herein. A Unit Owner, regardless of how his title has been acquired, including a purchaser at a judicial sale, is liable for all Assessments and Special Assessments which come due while he is a Unit Owner. The current Unit Owner is jointly and severally liable with the prior Unit Owner for all unpaid Assessments and Special Assessments against the prior Unit Owner for his share of the Common Expenses up to the time of transfer of title, without prejudice to any right the current Unit Owner may have to recover from the prior Unit Owner the amounts paid by the current Unit Owner.

1. First Mortgagee Liability for Assessments. A first mortgagee who acquires title to the Condominium Parcel by foreclosure or by deed in lieu of foreclosure is liable for the unpaid Assessments and Special Assessments that became due prior to the mortgagee's receipt of the deed. However, the mortgagee's liability is limited to the lesser of:

(a) The Condominium Parcel's unpaid Common Expenses and regular periodic Assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or

(b) One percent (1%) of the original mortgage debt. The provisions of this subparagraph shall not apply unless the first mortgagee joined the Association as a defendant in the foreclosure action.

(c) Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of

process at a location which was known to or reasonably discoverable by the first mortgagee.

D. Purchasers Obligation to Pay Assessment. Except as to first mortgagees, a person acquiring title to a Condominium Parcel shall pay any Assessments, Special Assessments, late fees, interest, costs and attorney's fees owed to the Association within thirty (30) days after transfer of title. Failure to pay the full amount of Assessments, Special Assessments, late fees, interest, costs and attorney's fees when due shall entitle the Association to record a claim of lien against the Condominium Parcel and proceed in the same manner as provided in this Article.

E. Assessment Certificate. Any person purchasing or encumbering a Unit shall have the right to rely upon any statement made in writing by an Officer of the Association regarding Assessments and Special Assessments against Units which have already been made or which are due and payable to the Association. The Association shall provide a certificate stating all Assessments, Special Assessments and other monies owed to the Association by the Unit Owner. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby.

XIV. TAXATION

Whenever an Assessment is assessed against the Condominium Property, instead of against each Condominium Parcel, it shall be treated as a Common Expense, in accordance with the provisions of Article (XII).

XV. MAINTENANCE AND REPAIR

A. Unit Owners Responsibility for Maintenance and Repair. The Unit Owner is responsible to maintain, repair and replace all air-conditioning and heating equipment serving his or her Unit whether located within or outside the Unit and each Unit Owner shall maintain the interior of his or her garage space and Stairways serving second floor Units. Each Unit Owner, at his own expense, shall maintain, repair, replace and be responsible for the maintenance of his Unit, its equipment and fixtures including but not limited to painting, replastering, sealing and polishing of the interior finished surfaces of the perimeter walls, ceiling and floor which constitute the boundary lines of the Unit therein and must promptly correct any condition which would, if left uncorrected, cause any damage to another Unit or the Common Elements, and shall be responsible for any damages caused by his non-action. Each Unit Owner shall at his own expense maintain and replace when necessary all screening within or in a Unit including the Lanai which is part of the Unit, and all glass in windows and doors in the perimeter walls of a Unit. All work shall be done without disturbing other Unit Owners. Provided, however, that no Unit Owner may change the exterior appearance of his Unit without prior Association approval in writing. The Unit Owner shall promptly report to the Association any defect or need for repairs for which the Association is responsible.

B. Association Responsibility for Maintenance and Repair. The Association shall be responsible for the maintenance, repair and operation of the Common Elements, and those portions of the Limited Common Elements which are not the Owner's responsibility, including, but not

limited to those portions of a Unit, except interior surfaces, contributing to the support of the Unit, load bearing columns and load bearing walls, driveways and roofs. The painting, decorating or changing of any portion of the walls not part of the Unit and all conduits, ducts, plumbing, piping, wiring and other facilities for the furnishing of utility service contained within a Unit that service part or parts of the Condominium other than the Unit shall be the responsibility of the Association, and not the individual Unit Owner. The Association shall have all powers necessary to discharge these responsibilities, and may exercise these powers exclusively if it so desires, or may delegate them as elsewhere provided for in this Declaration and the Bylaws.

C. Enforcement of Maintenance Against Association by Specific Performance. The maintenance and operation of the Common Elements shall be the responsibility of the Association and shall be a Common Expense. In the event the Association fails to maintain the Common Elements in accordance with its obligations hereunder, any Unit Owner shall have the right to seek specific performance in a court of equity to compel the Association to do so.

D. Enforcement of Maintenance Against Unit Owner by Specific Performance. In the event a Unit Owner fails to maintain his Unit or those portions of the Limited Common Elements which are his or her responsibility, or makes any additions or alterations to Common Elements without written consent, the Association or any Unit Owner shall have the right to proceed in a court of equity to seek compliance with the provisions hereof; provided that a Unit Owner does not have authority to act for the Association by reason of being a Unit Owner.

E. Enforcement by Association or Unit Owners in Court of Law. The Board of Directors or any Member shall have the right to maintain an action because of the failure of a Unit Owner or the Association to comply with the terms of the Declaration, Articles, the Bylaws, or the rules and regulations; as they may be amended from time to time. In such an action, the prevailing party shall be entitled to recover the costs of the proceeding together with reasonable attorneys' fees.

F. Failure to Enforce Not a Waiver. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles, the Bylaws, or the rules and regulations shall not constitute a waiver of the right to do so thereafter.

XVI. ALTERATION OF COMMON ELEMENTS

A. Procedure for Approval of Alterations or Improvements. No Unit Owner or the Board shall make or cause to be made substantial and material alterations, improvements or additions to the Common Elements, except in accordance with the following provisions:

1. A special meeting of Members shall be called for the purpose of acting upon the proposal for such substantial alteration, improvement or addition, upon not less than fourteen (14) days written notice.

2. Three-fourths (3/4) of the Votes of the Voting Interests must be cast in favor of the proposal at the special meeting. Votes may be cast in person or by proxy.

3. If approved, each Unit Owner shall be assessed his proportionate cost of such alteration, improvement or addition based upon that Unit Owner's share of the Common Elements.

**XVII.
WAIVER OF PARTITION**

By holding title in a Unit, the Developer and each subsequent Unit Owner waives the right to partition any interest in the Common Elements under the laws of the State of Florida as they exist now or as amended until this Condominium is terminated pursuant to the Declaration or by law. Any Unit Owner may freely convey an interest in a Unit together with an undivided interest in the Common Elements subject to the provisions of this Declaration.

**XVIII.
LIABILITY INSURANCE, LIMITATION OF LIABILITY AND OTHER INSURANCE**

A. Liability Insurance. The Board of Directors shall obtain liability insurance in such amounts as the Board of Directors may determine from time to time for the purpose of providing liability insurance coverage for the Common Elements. The Board of Directors shall collect and enforce the payment of the premium for such insurance from each Unit Owner for his share in the Common Elements. Each individual Unit Owner shall be responsible for the purchasing of liability insurance for accidents occurring in his Unit or for which he may be liable. In accordance with the provisions of the Condominium Act, the liability of a Unit Owner for Common Expenses shall be limited to amounts for which he is assessed from time to time in accordance with the Condominium Act, this Declaration and the Bylaws. The Unit Owner may be personally liable for the acts or omissions of the Association in relation to the use of the Common Elements, but only to the extent of his share in the Common Elements. In any legal action in which the Association may be exposed to liability in excess of insurance coverage protecting it and the Unit Owners, the Association shall give notice of the exposure within a reasonable time to all Unit Owners, and they shall have the right to intervene and defend. A Unit Owner shall be liable for injuries or damages resulting from an accident in his own Unit to the same extent and degree that the owner of a residence in Charlotte County, Florida would be liable for an accident occurring therein.

B. Additional Insurance. In addition, the Association shall use its best efforts to maintain adequate insurance for Workers Compensation, fidelity insurance as required by the Condominium Act for persons who control or disburse Association funds and such other insurance as the Board of Directors determines to be desirable.

**XIX.
PROVISIONS FOR CASUALTY INSURANCE, PAYMENT OF PROCEEDS,
RECONSTRUCTION**

A. Purchase Of Insurance. The Board of Directors shall keep the Condominium Property insured, including the building, fixtures and personal property appurtenant thereto, and all Units contained therein, both for the interest of the Association and all Unit Owners and their mortgagees, as their respective interest may appear, in an amount which shall be equal to the

maximum insurable replacement value of the Condominium as determined annually by the insurance carrier, against loss or damage by fire and hazards covered by a standard coverage endorsement and such risks of a similar or dissimilar nature as are customarily covered with respect to buildings similar in construction, location and use to the Condominium. The word "building" as used in this paragraph shall be as defined in Florida Statutes Section 718.111(11)(b).

B. Insured and Loss Payable. All casualty insurance policies purchased by the Association hereunder shall be for both the benefit of the Association and all Unit Owners and their mortgagees, as their respective interest may appear, and shall provide that all proceeds covering casualty losses shall be paid to the Board of Directors who shall act as the insurance trustee and it shall be the duty of the Board of Directors acting as insurance trustee to receive such proceeds as are paid to them and to hold the same in trust pursuant to the terms of this Declaration.

C. Payment of Premiums. The Board of Directors shall collect and pay the premiums for casualty insurance as part of the Common Expenses for which Assessments are levied. Each Unit Owner shall pay and be responsible for casualty insurance premiums and all fees and expenses of the Board of Directors acting as the insurance trustee in the same manner as all other Assessments.

D. Reconstruction or Repair after Casualty. If any part of the Condominium Property shall be damaged by casualty, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

1. Common Element. If the damaged Condominium Property is a Common Element or Limited Common Element, it shall be reconstructed or repaired, unless it is determined in the manner elsewhere provided that the Condominium should be terminated.

2. Units.

(a) Lesser Damage. If the damaged Condominium Property is a Unit, and if at least fifty percent (50%) of the Units in the Condominium are found by the Board of Directors to be tenantable, the Unit shall be reconstructed or repaired.

(b) Major Damage. If more than fifty percent (50%) of the Units in the Condominium are found by the Board of Directors not to be tenantable, then the Units will not be reconstructed or repaired and the Condominium will be terminated as elsewhere provided, unless within sixty (60) days after the casualty Voting Interests of at least seventy-five percent (75%) of the Votes agree in writing to such reconstruction or repair.

(c) Reconstruction. Any reconstruction or repair must be (i) substantially in accordance with the plans and specifications for the damaged building immediately before the casualty, or (ii) according to plans and specifications approved by the Board of Directors and by at least seventy-five percent (75%) of the Voting Interests.

(d) Responsibility. If the damage is only to a portion of one (1) Unit for which the responsibility of maintenance and repair is that of the Unit Owner, then the Unit Owner

shall be responsible for reconstruction and repair after casualty. In all other instances the responsibility of reconstruction and repair after casualty shall be that of the Association. Immediately after a determination is made to rebuild or repair damage to property for which the Association has the responsibility of reconstruction and repair, the Association shall obtain reliable and detailed estimates of the costs to rebuild or repair.

(e) Assessments. If the net proceeds of insurance are insufficient to pay the estimated cost of reconstruction and repair, the Board of Directors shall promptly, upon determination of deficiency, levy a uniform Special Assessment against all Unit Owners for the deficiency related to Common Elements. The Board may also charge individual Unit Owners for the portion of the deficiency related to individually damaged Units; provided, however, that if in the opinion of the Board of Directors, it is impossible to adequately and accurately determine the portion of the deficiency related to individually damaged Units, the Board of Directors shall levy the Special Assessment for the total deficiency against all Unit Owners according to the percentage as set forth in Article (VII) of this Declaration.

3. Disbursement of Funds. The funds for payment of costs for reconstruction and repair after casualty, which consist of funds collected by the Association from Assessments and/or Special Assessments against the Unit Owners, shall be disbursed in the following manner:

(a) By the Association. The funds shall be held by the Association and disbursed by it in payment of those costs of reconstruction and repair that are the responsibility of the Association in the manner required by the Board of Directors. The Directors may hire an architect qualified to practice in the State of Florida to supervise the work and approve disbursements.

(b) Unit Owner Repairs. Any portion of the fund representing damages for which the responsibility of reconstruction and repair lies solely with a Unit Owner shall be paid by the Association to the Unit Owner, or if there is a mortgagee endorsement in the Unit Owner's insurance policy, then to the Unit Owner and the mortgagee jointly.

(c) Surplus. If it is determined as provided under this Article that the damaged Condominium Property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be allocated among the beneficial Owners as provided in subparagraph B and distributed to each Unit Owner by check made payable jointly to the Unit Owner and his respective mortgagee, if any. If after reconstruction or repair there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners by check made payable to the Unit Owner and his respective mortgagee, if any; except that if the Unit Owner has been assessed as provided in subparagraph D.2.(e) above, the mortgagee shall only be entitled to that portion of the distribution after deducting the Unit Owner's Assessment, presuming that the first monies disbursed in payment of costs of reconstruction and repair are from insurance proceeds.

XX.
MORTGAGES - SUBORDINATION

A. A Unit Owner who mortgages his Condominium Parcel must notify the Association of the name and address of his mortgagee, and the Association shall maintain such information in a register which shall, among other things, contain the names of all of the Unit Owners and the names of the mortgagees holding mortgages on their Condominium Parcels. The failure to notify the Association of the existence of a mortgage shall in no way impair the validity of the mortgage. The Association shall, at the request of a mortgagee, report any unpaid Assessments and/or Special Assessments due from the Unit Owner.

B. Subordination. No breach of any of the provisions contained herein shall defeat or adversely affect the lien of any mortgage at any time made in good faith upon a Condominium Parcel, or any part thereof, and made by a bank, savings and loan association, mortgage company, or insurance company authorized to transact business in the State of Florida, and engaged in the business of making loans constituting a first lien upon real property for a valuable consideration. The rights and remedies herein granted to the Developer, the Association and any Unit Owner may be enforced against the Unit Owner of the Condominium Parcel subject to such mortgage notwithstanding such mortgage. The purchaser at any sale upon foreclosure shall be bound by all of the provisions herein contained.

XXI.
DEVELOPER'S UNITS, RIGHTS AND PRIVILEGES

A. Developer Sales. The Developer reserves and has the right to sell Units and Condominium Parcels to any purchaser approved by it, subject, however, to the use restrictions. The Developer shall have the right to transact any business necessary to consummate the sale of Units, including but not limited to the right to maintain models, advertise on the Condominium, and use the Common Elements. In the event there are unsold Condominium Parcels, the Developer retains the right to ownership thereof under the same terms and obligations as other Owners of Condominium Parcels. This Article shall not be amended without the written consent of the Developer so long as the Developer holds any Units for sale in the ordinary course of business. If the provisions of this Article conflict with any other Article, then this Article shall govern.

B. Developer Excused from Assessments/Guarantee. The Developer shall be excused from payment of its share of common expenses and assessments related to unsold Units in Developer's name for a period of one (1) year from the date of recording of the Deed of the first condominium Unit sold. The Developer guarantees to each purchaser that the assessments for common expenses of the condominium imposed upon the Unit Owners will not increase over \$350.00 per Unit per month for a twelve-month period beginning from the date of the recording of the Deed of the first condominium Unit sold. If at any time during the guarantee period, the funds collected from Unit Owner assessments at the guaranteed level are not sufficient to provide payment, on a timely basis, of all common expenses, including the full funding of the reserves unless properly waived, the Developer shall advance sufficient cash to the Association at the time such payments are due. No revenues or capital contributions other than regular periodic assessments, and cash payments by the Developer as provided above may be utilized for the

payment of common expenses during the guarantee period. This restriction includes items such as interest revenues, vending revenues, laundry revenues, other non-assessment revenues, and capital contributions. The Developer may, at the Developer's option, extend the guarantee period for two additional one-year periods.

**XXII.
SEPARABILITY OF PROVISION**

Invalidation of any of the covenants, conditions, limitations or provisions of this Declaration, the Articles, the Bylaws or the Condominium Act, shall in no way affect the remaining part or parts hereof which are unaffected by such invalidation, and the same shall remain effective.

**XXIII.
TERMINATION**

This Condominium may be terminated as provided for by Florida Statutes Section 718.117. Upon termination, the undivided share of the Common Elements owned in common by each Unit Owner shall be one ninetieth (1/90).

**XXIV.
EASEMENTS**

A. Covenant Running with Land. Each of the following easements is a covenant running with the land included in the Condominium Property and shall survive the termination of the Condominium.

B. Utilities, Drainage. Easements are reserved under, through and over the Condominium Property as may be required for utility, cable television, communications and security service and drainage in order to adequately serve the Condominium.

C. Pedestrian and Vehicular Traffic. Non-exclusive easements shall exist for pedestrian and vehicular traffic over, through and across sidewalks, paths, walks, roads, driveways, stairways, streets and other portions of the Common Elements as may be from time to time intended and designated for such purposes and uses and such easements shall be for the use and benefit of the Unit Owners within this Condominium, including their guests, licensees or invitees; provided, however, nothing herein shall be construed to give or create in any person the right to park any vehicle upon any portion of the Condominium Property except an area specifically designated and assigned for such purposes.

D. Easement for Unintentional and Non-Negligent Encroachments. If a Unit shall encroach upon any Common Element, Limited Common Element, or upon any other Unit, by reason of original construction or by the non-negligent or non-purposeful act of the Developer, then an easement appurtenant to such encroaching Unit, to the extent of such encroachment, shall exist so long as such encroachment shall exist. If any Common Element or Limited Common Element shall encroach upon any Unit by reason of original construction or the non-purposeful or non-negligent act of the Association or the Developer, then an easement appurtenant to such Common

Element, Limited Common Element, or to the extent of such encroachment, shall exist so long as such encroachment shall exist.

E. Support. Every portion of a Unit contributing to the support of a Condominium building or an adjacent Unit shall be burdened with an easement of support for the benefit of all other Units and Common Elements in the building.

F. Perpetual Non-Exclusive Easement in Common Elements. The Common Elements (other than the Limited Common Elements) shall be, and the same are hereby declared to be subject to a perpetual non-exclusive easement in favor of all of the Unit Owners for their use and the use of their immediate families, guests and invitees, for all proper and normal purposes, and for the furnishing of services and facilities for which the same are reasonably intended, for the enjoyment of the Unit Owners.

G. Right of Access to Units. The Association shall have the irrevocable right of access to each Unit during reasonable hours, when necessary, for the maintenance, repair or replacement of any Common Elements or of any portion of a Unit to be maintained by the Association or as necessary to prevent damage to the Common Elements or to a Unit or Units.

H. Construction; Maintenance. The Developer (including its designees, contractors, successors and assigns) shall have the right, in its (and their) sole discretion from time to time, to enter the Condominium Property and take all action necessary or convenient for the purpose of completing the construction thereof, or any part thereof, or any Units located or to be located thereon, and for repair, replacement and maintenance purposes where the Association fails to do so or where the Developer, in its sole discretion, determines that it is necessary to do so. This right shall terminate at such time as Unit Owners other than the Developer are entitled to elect not less than a majority of the members of the Board of Directors of the Association.

I. Sales Activity. The Developer, as long as it holds any units for sale in the ordinary course of business, shall have the right to use any such Units and parts of the Common Elements for model dwellings and sales and construction offices, to show model Units and the Common Elements to prospective purchasers of Units, and to erect signs and other promotional material on the Condominium Property to advertise Units for sale.

J. Additional Easements. The Developer and the Association, on their own behalf and on behalf of all Unit Owners (each of whom hereby appoints the Developer and the Association as its attorney-in-fact for this purpose), shall each have the right to grant such additional electric, gas or other utility, cable television, security system, communications, drainage or service easements. The Developer and Association may also relocate any such existing easements or drainage facilities, in any portion of the Condominium Property, and grant access easements or relocate any existing access easements in any portion of the Condominium Property, as the Developer or the Association shall deem necessary or desirable for the proper operation and maintenance of the Condominium, or any portion thereof, or for the general health or welfare of the Unit Owners, or for the purpose of carrying out any provisions of this Declaration, provided that such easements or the relocation of existing easements will not prevent or unreasonably interfere with the use of the Units for dwelling purposes. In addition, the Developer shall have the right to provide bills of sale for equipment,

conduits, pipes, lines and similar installations pertaining thereto. This subparagraph J shall not be amended nor shall the Condominium Plat be amended in any way to defeat, restrict or reduce the Developer's rights herein contained without the written consent of the Developer; provided that the Developer's right to grant easements as herein provided shall terminate at such time as Unit Owners other than the Developer are entitled to elect not less than a majority of the Board of Directors of the Association.

K. Ingress and Egress; Subordinate Liens. All easements for ingress and egress granted in this Article (XXIV), or elsewhere herein, shall not be encumbered by any leasehold or lien other than those on the Condominium Parcels; but if so encumbered, then any such lien shall be subordinate to the rights of Unit Owners.

XXV. ENFORCEMENT

A. Legal Action. Each Unit Owner, tenant, and other invitee shall comply with this Declaration, the Articles, the Bylaws, the rules and regulations, and the provisions of the Condominium Act, and the provisions thereof shall be deemed expressly incorporated into any lease of a Unit. The Association shall have the right to evict a tenant or remove any guest or invitee. Actions for damages or for injunctive relief, or both, for failure to comply with these provisions may be brought by the Association or by a Unit Owner against:

1. The Association.
2. Another Unit Owner.
3. Directors designated by the Developer, for actions taken by them prior to the time control of the Association is assumed by Unit Owners other than the Developer.
4. Any Director who willfully and knowingly fails to comply with these provisions.
5. Any tenant leasing a Unit, and any other invitee occupying a Unit.

B. Attorneys Fees. The prevailing party in any such action shall be entitled to recover its reasonable attorney's fees. A Unit Owner, prevailing in an action against the Association, in addition to recovering his attorney's fees, may recover additional amounts as determined by the Court to be necessary to reimburse the Unit Owner for his share of Assessments levied by the Association to fund its expenses of the litigation.

C. Negligence. A Unit Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his negligence or by that of any member of his family or his or their guests, employees, agents or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association.

D. Fines. In addition, the Association may levy reasonable fines against a Unit for the failure of the Owner of the Unit, or its occupant, licensee, or invitee, to comply with any provision of the Declaration, the Bylaws, or the rules and regulations of the Association. No fine will become a lien against the Unit. No fine may exceed the maximum amount permitted under the Condominium Act; provided, however, a fine may be levied on the basis of each day of a

continuing violation, with a single notice and opportunity for hearing, provided that no such fine shall in the aggregate exceed the maximum amount permitted under the Condominium Act. No fine may be levied except after giving reasonable notice and opportunity for a hearing to the Unit Owner, and, if applicable, its licensee or invitee. These provisions shall not apply to unoccupied Units.

E. No Waiver. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles, the Bylaws, or the rules and regulations adopted by the Association shall not constitute a waiver of the right to do so thereafter.

**XXVII.
COVENANT RUNNING WITH THE LAND**

All provisions of this Declaration, the Articles, Bylaws and applicable rules and regulations enacted pursuant thereto, shall, to the extent applicable and unless otherwise expressly herein or therein provided to the contrary, be perpetual and be construed to be covenants running with the land described in Article (IV) of this Declaration and with every part thereof and interest therein, unless this Declaration shall be terminated pursuant to the Condominium Act or as provided herein, and all of the provisions hereof and thereof shall be binding upon and inure to the benefit of the Developer and all subsequent Unit Owners and their respective heirs, personal representatives, successors and assigns, but the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public. All present and future Unit Owners, tenants and occupants of Units shall be subject to and shall comply with the provisions of this Declaration and such Articles, Bylaws and rules and regulations enacted pursuant thereto, as they may be amended from time to time. The acceptance of a deed of conveyance, or the entering into of a lease, or the entering into occupancy of any Unit, shall constitute an adoption and ratification of the provisions of this Declaration, Articles, Bylaws and rules and regulations enacted thereto.

IN WITNESS WHEREOF, the Developer has executed this Declaration of Condominium this 14 day of September 2005.
